Teamwork 2000 Team will Share the Goal

Dollars to Date: \$45,275
Percent of Goal: 4.4%

In the first semi-weekly report meeting, team members agreed to measure their success in terms of the aggressive 35% increase that Secretary Ron McCloud has established as the overall goal. Secretary McCloud said, "All it will take is for each Cabinet to attain a 35% increase, and we will raise \$1.4 million." Public Protection Coordinator Dan Gahafer agreed, committing the Public Protection and Regulation Cabinet to a goal of \$72,500 even though last year they more than doubled the amount raised in 1998.

Our Goal:
\$1,400,000

Secretary McCloud acknowledged that some Cabinets whose employees already give very generously and have high levels of participation may find it especially challenging to achieve a 35% increase. Others have the potential to more than double the amount they raised last year. "Together, I know we will raise \$1.4 million to support people who need our help in Kentucky," McCloud said.

Reflecting this Teamwork 2000 unity, this newsletter will report each Cabinet's amount raised each week, as well as the percent of the 1999 total that has been attained to date. We urge each of you to continue reaching toward a total of 135% of your 1999 amount raised. These are not the traditional goals established by the Cabinets but a new unified commitment to raising \$1.4 million, one donor at a time.

We are off to a great start! Keep that teamwork going!

Bragging Rights!!

Rumor has it that the **Personnel Cabinet** is off to a roaring start.

According to coordinator **Kevin Shipp**, "Thus far we have achieved **67%** of our Total Employee Pledge with only **55%** of the employee pledge cards submitted. This does not include any special event fundraising. We currently have a **62.5%** payroll deduction participation rate and a **73.5%** total participation rate." We'd like to remind you that this is a verbal report and totally unofficial. But, we know Kevin and his partners will be backing up their claims at next weeks meeting! (Show me the money!!)

Eddie Jacobs, coordinator for the **Labor Cabinet** has scheduled this campaign's **100th group** meeting! He has been awarded a lovely **KECC** candy dish. You never know when, in the course of doing good work for others, good things can happen for you!
