## Dollars to Date: \$590,784 Percent of Goal: 42.1%

### Our Goal: \$1,400,000

With one month to go in the campaign, the pace has slowed a bit. This week's total is up by \$26,653 to 42.1% of our goal. But, at this time last year state employees had raised 51%. Now is the time to turn up the heat! Some cabinets traditionally turn in the bulk of their donations toward the end of the campaign. And, some have been going like gangbusters since the beginning. But, there is much work to be done.

Morale seems to be good and, by many reports, participation is up. Remember, the number one reason folks don't give is because they aren't asked! If you feel like you need some help or advice look to successful coordinator's and talk to your KECC administrators. We are here to help in any way we can.
